GENERAL AND REVENUE.

No. 102, dated Camp Mysore, the 10th June 1908.

The Government of His Highness the Maharaja are of opinion that the basis of the Mysore Legislative Council may safely be widened by allotting a certain number of seats thereon to election. Having regard to the constitution of the Mysore Representative Assembly, which is an entirely elected body, representative of popular interests generally, including the local and municipal boards in the State, and also to the desire widely expressed that that Assembly may be allowed to recommend a certain number of persons for nomination to the Legislative Council, the Government resolve to throw open two seats on the Council to members recommended by the Representative Assembly. With this end in view they are pleased to make the following rules under Section 5 of the Mysore Legislative Council Regulation, 1907, as to the conditions under which the two non-official members of the Legislative Council may be selected for nomination:—

Rules for the election of members to the Legislative Council.

- I. The nominations to two places on the Legislative Council may be made by Government on the recommendation of the Mysore Representative Assembly.
- II. The persons recommended for nomination shall be members of the Representative Assembly, of whom one shall have been returned to such Assembly from the Western Division of the State (consisting of the Districts of Mysore, Hassan, Kadur and Shimoga), and the other from the Eastern Division (consisting of the Districts of Bangalore, Kolar, Tumkur and Chitaldrug).
- III. (1) The recommendation shall be made by a clear majority of votes of the members of the Mysore Representative Assembly as a whole, present and voting, at a meeting to be held for the purpose when the Assembly is in session at the annual Dasara gathering. The voting shall be by ballot.

- (2) The meeting shall be held at such time and place during the session of the Assembly as may be fixed by Government.
- (3) An officer deputed by Government shall attend such meeting and record the votes of the members, and report to Government the names of the persons selected.
- IV. When the place of a member nominated on the recommendation of the Representative Assembly as aforesaid becomes vacant otherwise than by efflux of time, it shall only be filled up on a recommendation to be made by the Representative Assembly at its next annual session. No person shall be recommended for such vacancy who has not been returned to the Assembly from the same Division as the member whose place has become vacant.
- V. If any name recommended for nomination does not meet with the approval of Government, the Representative Assembly may be asked to recommend another person for nomination in accordance with the above Rules.
